We proudly serve the San Diego area of Southern California, offering smog check only services in 15 minutes or less!

Committed to the Community

15 Minute Smog Check is family owned and operated and we have had our smog license since 1986. We are committed to giving you the best customer service and are happy to answer your questions. We do not diagnose or perform any emission repairs on vehicles nor do we refer motorists to specific test and repair facilities, however, we do offer you the fastest, certified smog check test for your vehicle at very competitive pricing.

See our [specials](#) page for money-saving coupons on our already low prices! **15 Minute Smog Check** looks forward to serving you!
